Thank you for your interest in having the "Faces of Homelessness" Speakers' Bureau attend your upcoming event. This public education program is an essential part of our mission at the National Coalition for the Homeless, and we appreciate you giving us this opportunity.

We promote advocacy, education, and service. As people who have been homeless or are experiencing homelessness, the speakers in the Bureau are the real experts on homeless issues and we believe that their voices are essential in the fight to end homelessness. Speakers' presentations work to promote advocacy, understanding and service.

We look forward to working with you and learning more about your event. Please review our information and guidelines for event hosts and complete the event form and return it in a timely manner.
