\*\*This information was obtained through online research, city clerk offices, and localized researchers. Some sources could only be updated every three months and so pending or passed resolutions since that day are not evident in this report.

\*\*\* Sitting/lying in a particular public space is not expressly prohibited by D.C. law ( which outlaws setting up a "camp or tempoary abode" in a public place), but is prohibited by federal law, which applies to most of the parks in the district

\*\*\*\* Cleveland added an "aggressive solicitation" ordinance in July 2005, but it will expire in October 2006.
