In the last decade, 880 homeless men, women and children have been attacked. 244 died.

Victims ranged from 4 months to 74 years old. 78% of the perpetrators were under 25 years old.

What can we do? We need to educate lawmakers, advocates, and the general public on the problem of violence against homeless persons. Your support will help the National Coalition for the Homeless take a stand against violence!

Please become a member of NCH by sending in your tax-deductible contribution today!
